Honourable MP Frank Caputo
Honourable MLA Peter Malobar
Honourable MLA Todd Stone

Effective Immediately, I ask parliament to remove John Horgan - MLA and Premier of British Columbia and any of his family members holding office within the federal government or federal employ. I am no longer confident the current leader and Premier John Horgan is working in the best interest of his constituents, BC, Canada and Canadians. The policies invoked by this current government are directly against our Canadian Charter of Rights and Freedoms and our Canadian Bill of Rights. Mr John Horgan's speeches are defamatory against millions of Canadians and he should rightly be charged for a hate crime under section 318, and 319 of the Criminal Code of Canada.

Effective Immediately, I ask parliament to remove Yves-Francois Blanchet – Leader of the Bloc Quebecois and any of his family members holding office within the federal government or federal employ. I am no longer confident that the current Bloc Quebecois leader, Yves-Francois Blanchet, is working in the best interest of his constituents, Canada and Canadians. The policies invoked by this current government are directly against our Canadian Charter of Rights and Freedoms and our Canadian Bill of Rights. Mr Yves-Francois Blanchet's racist comments have insulted millions of Canadians and rightly he should be charged with a hate crime under section 318, and 319 of the Criminal Code of Canada.

I want all emergency measures, mandates and orders revoked, ensuring Canadians rights to not be masked, vaccinated or show vaccine passports to move and travel at will and allowing border traffic agents and transport to do their jobs. I want all masks, vaccine mandates, passports imposed by employers to: nurses, city workers, school board staff, etc. cancelled. I want all masks, vaccine mandates, passports applied to businesses both essential and non-essential removed. And I want the commitment of government to support and uphold Canadian's Constitutional rights.

I also ask that the entirety of the Federal Government work together to have a complete financial audit of all taxpayer-funded activities by the Canadian Federal Government. The financial audit, including the years 2016 to 2022, be examined by an independent accounting firm and the legal office of Marie Henein along with a federal committee of Canadian representatives Jody Wilson- Raybould, Jane Philpott, Sylvia Bashevkin, and elected officials Stephane Bergeron, Leslyn Lewis, Pierre Poilievre, Charlie Angus, Mike Morrice, and Mike Kelloway to oversee the proceedings. And I want the cancellation of funding for Media who continue to censor and report miss-leading information.

As a Canadian, I no longer have confidence that the following government officials to serve Canada or Canadians without prejudice. -Prime Minister Justin Trudeau -Steven Guilbeault -Dr Teresa Tam -Jagmeet Singh -Dr Bonnie Henry -John Horgan -Yves-Francois Blanchet. Any politician who is promoting foreign entities and corporate edicts of The World Economic Forum, Davos Group, or any other foreign private agendas is not what Canadians have approved of nor consent to. The infiltration of foreign corporate members is clearly a conflict of interest and any member promoting foreign agendas like Agenda 21, Agenda 2030, etc must be respectfully removed from office.
